NEWS FROM FORMOSA.

Taipei-Fu, April 17.

The Governor of Formosa has been very active during the past week landing reinforcements from Canton, and a bad lot of men they are too, the seam and refuse of the foreigners who consider the old troops more than a match for the Governor's control, and now with the addition of the present recruits, the foreigners cannot help feeling that the next few days in Formosa will witness serious trouble.

The Governor has stated that as he has not received any official orders to give up the island, he will fight the Japanese if they attempt landing.

It is the rumor here this morning that an expedition left Nagasaki yesterday with officers and soldiers to take control of the island.
